w	fumes arising from stainless steel welding	<input type="checkbox"/>	<input type="text"/>
x	products made with natural rubber latex	<input type="checkbox"/>	<input type="text"/>

Do you think your asthma was caused by any other substance you were exposed to at work?

No

Yes Please tell us about this

What was the substance

Please be as precise as possible. General terms such as smoke, fumes or dust will not be good enough.

Which employer or employers were you working for when you were exposed to the substance?
For example, employer 3.

Declaration

- **I declare** that the information I have given on this form is correct and complete as far as I know and believe.
