Portrush Mill (West Strand)						
Portrush Curran (East Strand)						
Portrush Whiterocks						
Portballintrae Salmon Rock						

## PLEASE NOTE

Due to the ongoing COVID -19 pandemic, DAERA Marine and Fisheries Division are currently carrying out a reduced bathing water programme. This is subject to continuous review and dependant on current Government COVID-19 advice.

## SAMPLE RESULTS

Individual sample results below 250 E.coli (EC)/100ml and 100 Intestinal Enterococci (IE)/100ml are typical of an **Excellent** classification. Results above these values, and up to 500 EC/100ml and 200IE/100ml, are typical of a **Good** or Sufficient classification. When E.coli levels exceed 1250/100ml temporary advice against bathing will be issued.
